

2018 Summer College Essay Workshop

Through the College Essay Workshop at Harvest Christian Academy, students will understand the various goals for writing a college essay. Students will also take one essay through its writing stages: brainstorming, revising, and editing. We hope that this workshop will give students a better understanding of how to craft essays for college and scholarship opportunities. When students complete this week-long course, they should have one essay ready to submit as part of their college application, giving them a great start to what can be a long process.

To maximize personal instruction, block classes will be limited to 8 people per class (for rising 11th and 12th grade students).

Block 1: June 4-8, 1:00-2:00 pm
Block 2: June 4-8, 2:30-3:30 pm
Block 3: June 11-15, 2:00-3:00 pm

Location: FLC 202
Supplies: Paper, pencil, water
Cost: \$100 for the week

Instructor: Bonnie Dongon, English Department Head
