## Dear Parents of our Rising High School Students,

Thank you for the critical investment in your child's future by enrolling your child at Harvest for their elementary and middle school years. As we anticipate the coming school year, I wanted to encourage you that these next four years are some of the most crucial as we continue training your child to be a success in their future families and communities. HCA high school provides multiple venues of learning for each child, whether it be in the classroom, student-led clubs, athletics, or the one-on-one interaction with the teachers.

Harvest strives to personally mentor and purposefully train your child so that your child can grow and be prepared for his/her next step in life. I look forward to partnering with you for the next four years.

Lawrence Nagengast  
High School Principal
